

Admission

Fast Forward Charter High School is a public charter school that does not discriminate on the basis of disability, race, creed, color, gender, religion, age, sexual orientation or national origin. Fast Forward Charter High School admissions and transfer policies comply with the [Utah Code 53A-1a506.5.](#)

Fast Forward serves approximately 235 students in 9th grade through 12th grade. Fast Forward will fill student enrollment based on the following priority:

1. Open Enrollment

Once a student has been admitted to the school through an appropriate process, he or she may remain in attendance through subsequent grades. A new applicant for admission to the charter school, however, would be subject to the lottery if, as of the open enrollment closing date, the total number of applicants exceeds the number of spaces available at the school. Open Enrollment dates will be publicly announced and will adhere to Utah State Statute.

2. Lottery/Random Selection Process

A lottery is a random selection process by which Fast Forward High School admits applicants. FFCHS will use a lottery if, during the open enrollment period, more students apply for admission to the charter school than can be admitted. During a public meeting, an accepted lottery process will be used to select students. Following the lottery preferential enrollment is addressed.

When a student is admitted to the school through the process, all siblings of that student are admitted immediately, if space is available. If space is not available, that sibling will be placed on the waiting list. Students not selected will remain on a waiting list, preserving the order as determined by the lottery, giving preference to siblings of attending students. Fast Forward will notify applicants of the lottery results within 2 weeks. Students placed on the waiting list will be given the opportunity to attend the school if openings become available during the school year. Families will be notified and students have 3 school days to accept the opening. Additional applications received after the enrollment period deadlines will be considered for enrollment in the order they are received after the names in the original lottery have been exhausted. Waiting lists do not extend to subsequent years.
