Acceptable Use Policy for Internet and Network Access

The goal of using the Internet is to provide support for the public education system. The Internet is a world-class tool for educators, students, and parents. It can provide many exciting educational resources and learning opportunities. Unfortunately, there are materials on the Internet that are controversial in nature that do nothing to promote the educational process. It is important that all who access the Internet demonstrate judgment on the information that they access. The following is prohibited:

1. Any use of the Internet for illegal or inappropriate purposes to access materials that are objectionable in a public school environment. Inappropriate use is defined as use in violation of the intended use of the Internet, to provide information to support the educational process. (e.g., Instant Messenger, chat rooms, steaming video, audio, Internet radio, file sharing, MP3 downloading, and burning copies of copyrighted CDs are prohibited).
2. Any use for commercial purposes, financial gain or political lobbying.
3. Access to the Internet without parental permission.
4. Any unauthorized use of the FFCHS network.

It is understood that FFCHS, Logan City School District, the Utah State Office of Education, and the Utah Education Network have no control of the information on the Internet. Some sites on the Internet may contain material that is illegal, defamatory, inaccurate, or potentially offensive to some people. While the student will receive supervision and guidance while using the Internet, it is his/her responsibility to choose not to access materials that do not fit the goal of Internet use at FFCHS.

Students that break this Acceptable Use Policy may face one or all of the following consequences:

1. Loss of network / Internet access
2. Removal from class (timeout or conference)
3. Parent conference
4. Suspension from school for the remainder of the term
5. Expulsion from school for repeated violation
6. Civil and criminal charges filed against the student

I have read the Student Contract and the Internet Acceptable Use Policy and agree to all terms therein.

ACKNOWLEDGEMENT OF SPECIAL NOTICES

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that Fast Forward Charter High School (FFCHS), with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child’s education records. However, in accordance with FFCHS procedures, FFCHS may disclose appropriately designated “directory information” without written consent, unless you have advised a FFCHS administrator to the contrary. The primary purpose of directory information is to allow FFCHS to include information from your child’s education records in certain school publications.

Examples include, but are not limited to:

- a playbill showing your student’s role in a drama production;
- the annual yearbook;
- honor roll or other recognition lists;
- graduation programs; and/or
- sports activity sheets such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent’s prior written consent. Examples of outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks.

In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with three categories of directory information: names, addresses, and telephone listings - unless parents have advised the LEA that they do not want their student’s information disclosed without their prior written consent.

If you do not want FFCHS to disclose directory information from your child’s education records without your prior written consent, you must provide written notification. The release of information will be effective from the time the notice is received at FFCHS.

Directory information is designated by FFCHS as follows:

- Student’s name
- Participation in officially recognized activities and sports
- Address
- Telephone listing
- Weight and height of members of athletic teams
- Electronic mail address
- Photograph
- Degrees, honors, and awards received
- Date and place of birth
- Major field(s) of study
- Dates of attendance
- Grade level
- The most recent educational agency or institution attended
