Dear Parents and Guardians,

As you’re aware Fast Forward has been working closely with the Utah Department of Health. In response to the COVID-19 virus, Fast Forward Charter High School and ALL Utah schools are dismissed from March 16th – 27th. According to the Utah Board of Education, the plan is to reopen on March 30th; however, Fast Forward’s Spring Break is scheduled to start on March 30th, so Fast Forward will reopen April 6th.

In accordance with the Utah Board of Education, we are providing educational services beginning Wednesday, March 18th. Teachers are working to create lessons or projects for the next two weeks. Instructions for accessing your students’ courses will be provided on the school website at: www.ffchs.org. School attendance will be based on work completed. It is imperative that your student participate in online activities or projects provided by Fast Forward in conjunction with the Utah Board of Education.

We recognize that many of our students do not have access to a computer. Chromebooks will be available to check-out beginning Monday, March 16th, and ending Tuesday, March 17th from 9am to 1pm each day. Students will be able to take them home to complete Fast Forward related schoolwork. The Chromebooks will be monitored for inappropriate activity.

Lunches will be available for pick up between 10am and 12pm each day. Any student is able to come and receive lunch. We will bring the lunch to your vehicle. Please remain in your car and do not come into the school.

During this time away from school, please encourage your students to engage in their learning as well as maintain healthy and hygienic practices. Make sure your students are washing and bathing on a regular basis and that clothing is properly washed and cared for. We also encourage everyone to abide by the Governor’s preventative measures to help limit the spread of the COVID-19 virus over the next two weeks.

We will keep you updated with further information as it becomes available.

Sincerely,

Jill Lowe
Principal/Director
