

FAST FORWARD

CHARTER HIGH SCHOOL

Dear Fast Forward Parents/Guardians,

USDA's Food and Nutrition Service (FNS) and Fast Forward Charter High School are extending free breakfast and lunch from September 14th, 2020 through the end of December 2020.

Starting September 14th, 2020, this extension is **only** available to students enrolled in Fast Forward Charter High School, whether in classroom or online.

Parents/guardians of both online and in-class students must call the school at (435) 713-4255 and request that a meal order form be filled out on the behalf of their student(s). For participating households that plan to pick up meals on Fridays, meal orders must be requested each week by Wednesday at 3:00pm to allow staff adequate time to prepare meals. Meal pick-up times will be Fridays from 9-11:00am.

For students who are online only, a meal order request can be made Monday-Thursday from 8am-10:30am. Individuals picking up meals for online students have the option to pick-up a meal and a breakfast for the following morning. The pick-up area for online student meals will be located in the front office. Online student lunches will be the main line menu only with the exception being on Fridays where a grab n' go sack lunch will be provided. The school lunch menu is provided on our school's website.

<https://www.ffchs.org/lunch-program/>

COVID-19 mandates must be followed on school grounds, which include wearing a mask and temperature checks when entering the school.

Lunch money refunds will not be refunded as this extension is only in effect until December 31, 2020. We will still be accepting free and reduced applications during this time. Please continue to fill out and submit these applications to our school. Beginning January 1, 2021, free, reduced, and paid meal status will go back to what it was from August 27th until September 14th. If you think you qualify and are interested in filling out a meal application please fill out the appropriate form and submit it to our school. The form can be found on the school's website <https://www.ffchs.org/child-nutrition-services/>

Please contact our food service LEA regarding any questions or concerns.
