CHARTER HIGH SCHOOL

Military and College Recruiters Policy & Notification

Two federal laws require Fast Forward Charter High School to provide certain student information for high school juniors and seniors to military recruiters upon their request. Recruiters for colleges and universities often request similar information. The general policy of Fast Forward Charter High School is to release student names, telephone numbers, and addresses to military recruiters and recruiters from higher education institutions.

Parents/guardians may “opt-out” to prevent one or both of these releases of information by **submitting a written request directly to the principal. This opt-out must be completed separately from the opt-out request for directory information and must be completed annually in writing (email is permissible).**

If you have any questions regarding this policy, please contact Jill Lowe (jill@ffchs.org) or Alex Garrett (alex@ffchs.org) or call 435-713-4255.
