CHARTER HIGH SCHOOL

Military and Higher Education Recruiters Policy & Notification

Two federal laws require Fast Forward Charter High School to provide certain student information for high school juniors and seniors to military and higher education recruiters upon their request. The general policy of Fast Forward Charter High School is to release student names, telephone numbers, and addresses to military and higher education recruiters.

Parents/guardians may “opt-out” to prevent one or both of these releases of information **by submitting a written request directly to the principal. This opt-out must be completed separately from the opt-out request for directory information and must be completed annually in writing (email is permissible).**

If you have any questions regarding this policy, please contact Jill Lowe (jill@ffchs.org) or Alex Garrett (alex@ffchs.org) or call 435-713-4255.
