### CTE Meeting Minutes

April 26, 2023

In Attendance – Steve Bennet, Ryan Conger, Andy Lorimer, Andy Worrall

#### Advisory Boards and Pathway to Career

- Ryan has made contact with different audio businesses in SLC for potential student internships. He has received feedback on what he is teaching in his classes and why they are wanting students to master.
- Steve discussed his contacts with various dairies and farmers. We discussed using these contacts in order to provide feedback on his program.
- Andy L has formed a video advisory board and plans first meeting at the start of the school year.
- Andy W had joined the state photographers advisory board, however has not heard anything all year concerning any updates, meetings, etc.

#### State CTE Meeting

- Discussed Jaime Casap's presentation at the CTE Director's meeting. The importance of real collaboration, developing Human Skills and helping students find out who they are.
- Discussed our strengths as a department and how we can help others here at our LEA to incorporate this type of learning for students.

#### Gear Inventory

- All teachers have reached the goal of making progress on this and will continue to update individual gear inventory.
- A labeling system will be implemented next school year.

#### Budgets for Next Year

- Discussed budget proposals for next school year. They will be dispersed to each teacher within a couple of weeks.

#### Class Schedules for Next School Year

- Class schedules will be shared within the group in order to not have any overlapping level 2 classes in order to work toward our goal of increased enrollment.
