CTE Meeting Minutes

November 17, 2023

In Attendance – Ryan Conger, Shandee Chambers, Andy Worrall, Steve Bennet, Andy Lorimer

Items to Discussed

1. Reviewed CTE as a Protective Factor for Mental Health from the state meeting. Discussed progression in skills from scissors/paper to digital tools and how this is important for student development.
2. YouScience – We all want to implement the Pre test, but discussed the fee involved. Andy L will follow up with the state to see what the expense will be. As a team we decided beginning of term would be best to implement the Pre Test
3. Discussed the Aptitude Test with YouScience. It was shared that the test has multiple parts and requires 3-4 hours. Andy L will follow up with the state to see if there are better options as this will be difficult to implement. School counselors will also be looped in on this to see what can be done.
4. Advisory Board Reports – Shandee reported that her advisory board was incredibly helpful and enthusiastic to help. Positive experience.
5. Course Changes – Effecting Steve, Ryan and Shandee. Ryan asked if the state test will also be updated. Will follow up on this.
6. School CTE Survey Feedback – Andy L will follow up with individual concerns.
7. Innovations – Briefly discussed how to grow our CTE program. A CTE vehicle was discussed, as well as our own CTE building.
8. CTE Month – February – Email sent out during the month of February to highlight what we are doing in CTE. Will discuss further at next meeting.
