Annual Title 1 Meeting

2026-2027

Participation in Title 1

- What is Title 1?
  - Passed in 1965 under the Elementary and Secondary Education Act (ESEA). It is the largest federal assistance program for our nation's schools.
  - These supplemental funds provide students the opportunity to receive a fair, equitable, and high-quality education, and help to close educational achievement gaps.

2

How does Fast Forward use Title 1 funds?

- Targeted Assistance program; funds go to help those most at-risk academically.
- Fast Forward is chartered to service the at-risk youth of Northern Utah; thus, funding is used to service all students.
- For 2026-27, Fast Forward has chosen to focus Title 1 funds on mathematic skills within the Secondary Math 2 program.
  - All funding is spent on staffing. Our Secondary Math 2 teacher (Tiana Partridge) is paid with Title 1 funds.
- Students are supported with differentiated small group instruction, additional training for teachers, co-teachers, and paraeducators, and targeted instructional practices.
